

Chinese American Librarians Association Northern California Chapter Presents 2014 webinar

*50 Great Mobile Apps
for
Reference, Collection Management,
Outreach
and Youth Engagement*

Date: 4/18/2014

Time: 12-1 pm PDT

**Speaker: Richard Le
Teen Services Librarian**

The mobile technology has changed the ways how we search for information. Librarians can harness the mobile technology and apps to provide innovative services. The speaker will discuss the mobile trends, app selection criteria and 50 apps for reference, collection management, outreach and youth engagement.

Registration is free and open to all.
